THE BERNARDSVILLE CHAMBER OF COMMERCE 2015-2016 EDITION OF THE SHOPPER'S GUIDE & AREA MAP

Welcome to The Bernardsville Chamber of Commerce. We are proud to present the 2015-2016 edition of "The Bernardsville Chamber of Commerce Shoppers' Guide and Area Map" which is paid for and published by the Chamber. This guide is published every two years as a community service to provide information to area residents and visitors, and to highlight our historic town and our 140 plus Chamber businesses.

Our Chamber, which is one of the best in New Jersey, consists of businesses of all kinds that have joined together to make a statement—that they are committed to providing their patrons with the finest quality products and services. Over the past twelve years, our Chamber has grown and, during that time, we have introduced our Shoppers' Guide and such events as Sounds Around Town, Unity Day, Meet the Easter Bunny, and Holly Days to our community. The Chamber meets each month to discuss issues that are important and pertinent to its members, and we also interact with our local government as well as our community organizations.

In October 2013, we held our first "A Taste of Bernardsville and Beyond" featuring area restaurants, food and wine shops at The Olde Mill Inn. As our annual fundraiser, the event was a big success and, as we have in the past, we donated substantial funds to the Bernardsville Fire Department and senior citizens. In 2014, we held the second "Taste of Bernardsville," also at the Olde Mill Inn, and, in addition to continuing to raise funds for the Fire Department and our seniors, we introduced a competition for an American Dream Military Wedding for a New Jersey couple. Through the amazing support of our many businesses, we donated a Grand Prize of a complete wedding to the winning couple, a wedding to the second place couple, and prizes to the other 4 finalists. Over \$50,000 in wedding gifts were donated to the delighted winners, thanks to the tremendous support of such Chamber members as The Bernards Inn, Diamond Dream Jewelers, Dolce, The Olde Mill Inn and so many more.

Special thanks to Richard Steinberg of The Bernardsville Print Center whose generosity and expertise allow us to offer this guide to our community. Our businesses and organizations are listed by categories and are color coded to easily identify their locations on the area map in the center of the guide. Please utilize this guide to visit our many businesses which range from retail establishments, art galleries, restaurants to professional organizations of all types. There's no need to go to the mall for your shopping needs!

For more information on our Chamber and our members, please visit our website at www.bvillechamber.com. And remember to support your community's local businesses; you will be happy with the results and, at the same time, help keep your community the vibrant special place we all love and call home.

What to See in Bernardsville

Nervine Memorial Park has a beautiful pond and is the site of the Chamber's annual Unity Day festival in the fall. It is located south of the center of town on Route 202, between the firehouse and Borough Hall. Borough Hall, a circa 1800 building on Route 202 south of town, was formerly known as Bunn's Mill and operated as a gristmill, sawmill, cider mill and distillery in the mid-1800s.

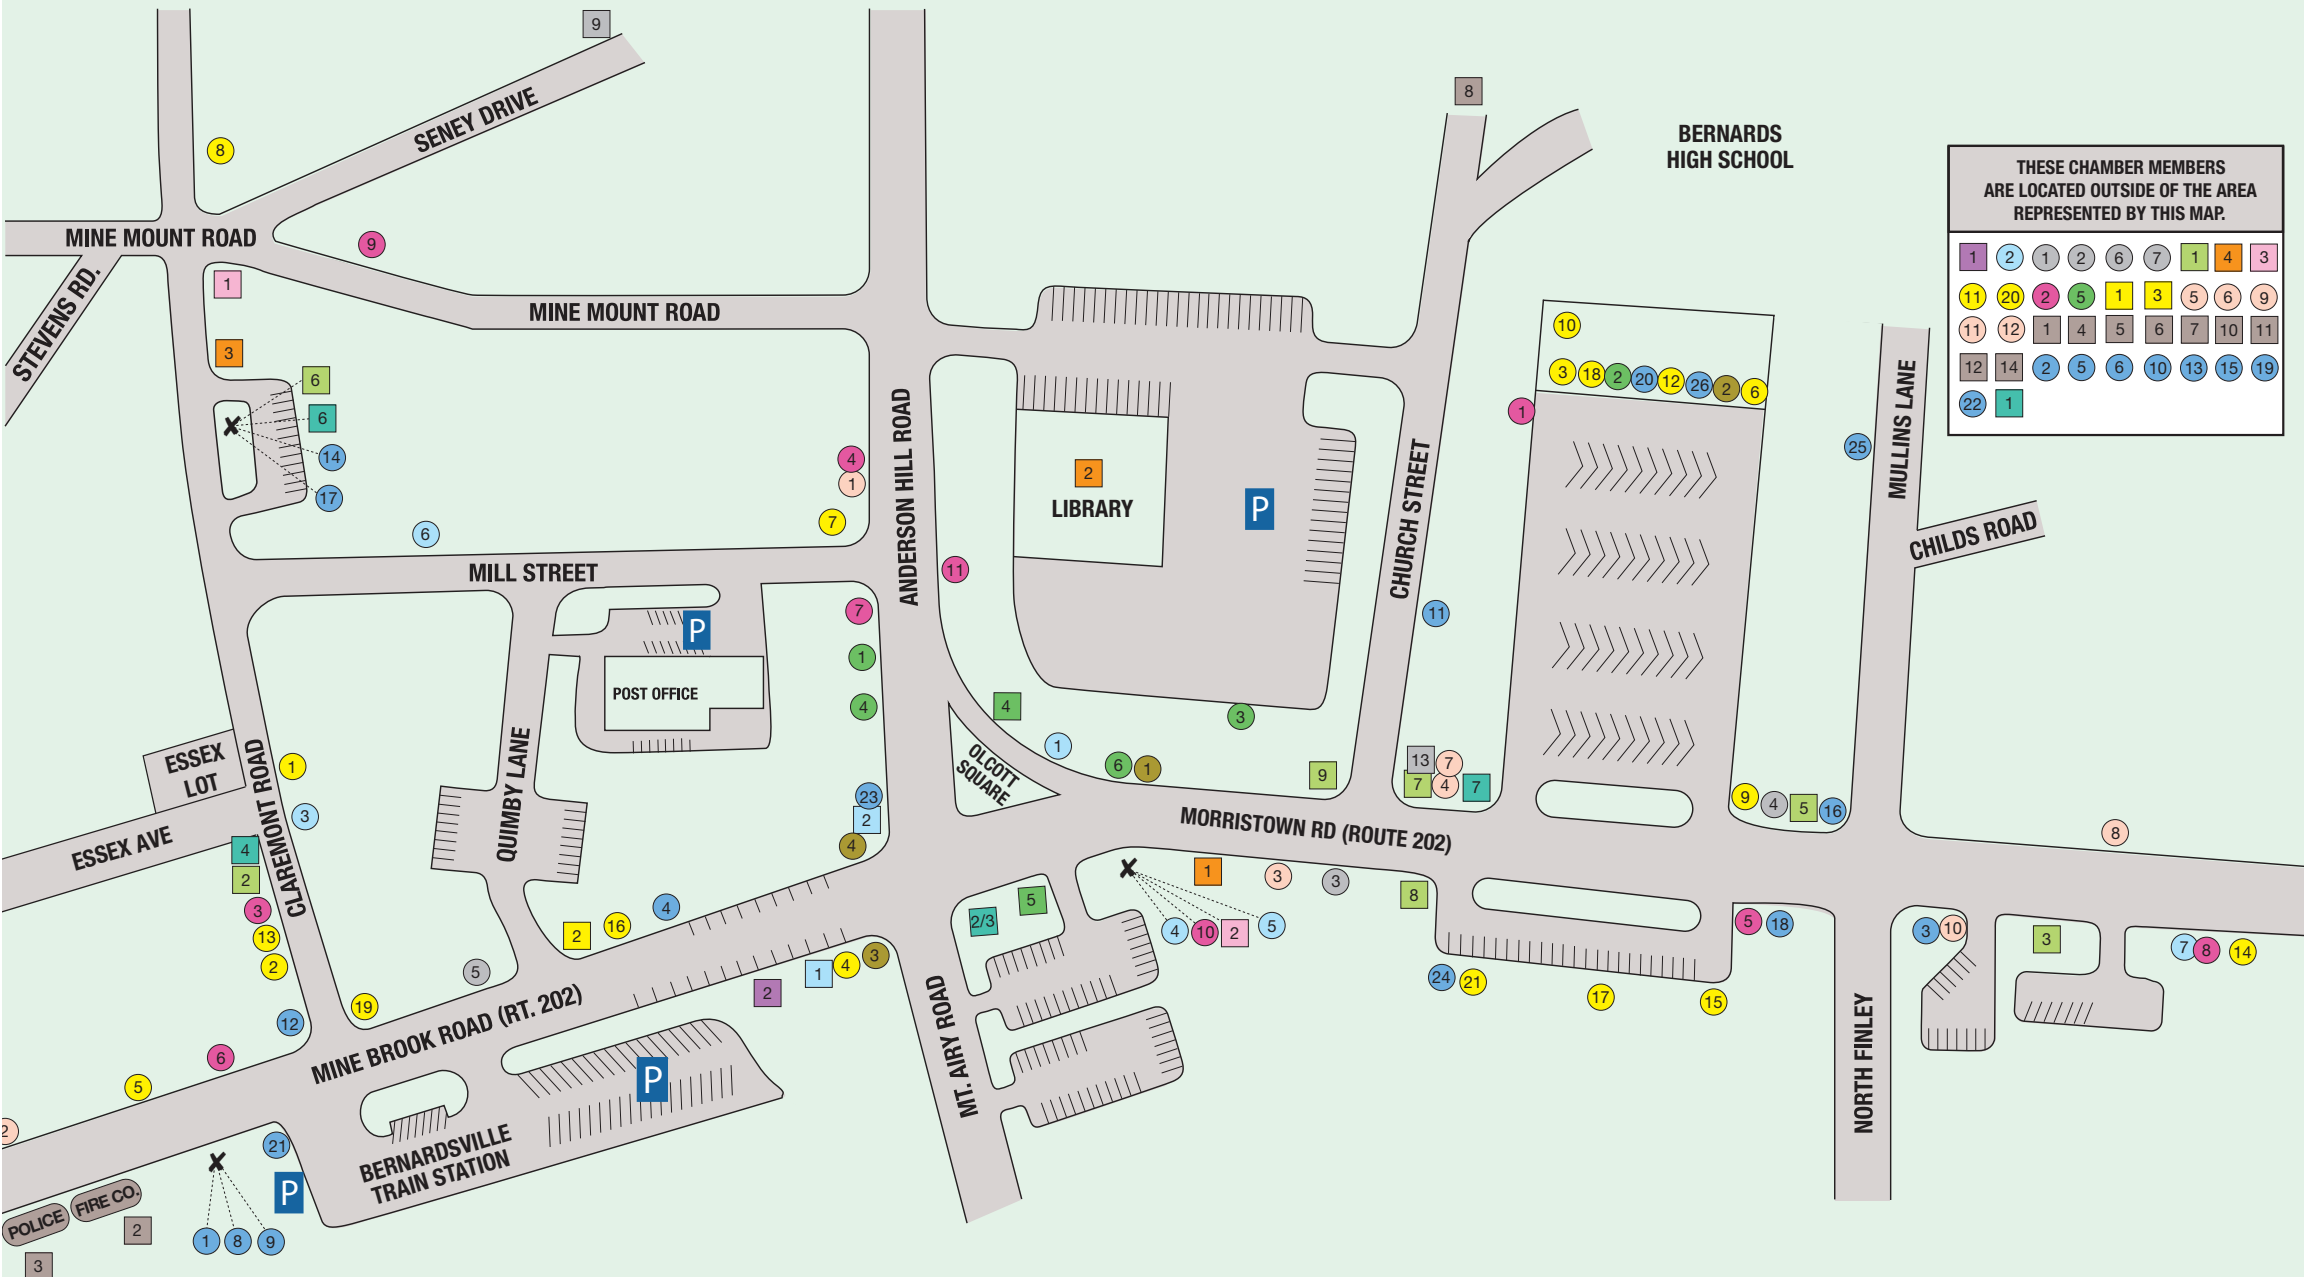

New Jersey Audubon (Scherman-Hoffman Sanctuaries) has numerous hiking trails for bird watching and a newly opened center. It is located at 11 Hardscrabble Road, near Old Army Road.

Cross Estate Gardens has a beautiful garden and hiking trails. This, and the New Jersey Brigade Area, are part of the Morristown National Historical Park, and are in Bernardsville, even though the Visitor Center of the park is not. The entrance to the garden is at 61 Jockey Hollow Road, while the brigade area commemorating General George Washington's encampment of December 1779 to June 1780 is on Jockey Hollow Road near Hardscrabble Road.

Soldiers under the command of General George Washington encamped in Morristown and regularly visited the 18th century Vealtown Tavern aka John Parker Tavern, (currently a commercial building) at 2 Morristown Road (Route 202). The building is on the National Register of Historic Places, and the Daughters of the American Revolution erected a stone marker in front: "By this route Washington with his Army retired to Morristown After his Victory at Princeton January 1777."

There is a statue honoring Bernardsville resident Millicent Fenwick (1910-1992) on Route 202 just north of the railroad station. Mrs. Fenwick was a member of the House of Representatives and ambassador to the United Nations Food and Agricultural Organization. She went to Washington in 1974 at age 64 and served four terms in the U.S. House. She was one of only five New Jersey women ever elected to Congress.
